

Insieme per la Solidarietà Roma 1

The Association “**Together for Solidarity Rome 1**” is registered in the Latium Regional Register of Volunteer Organisations - Third Sector Area B7892 and has carried out voluntary activities in the territorial area of the Province and the city of Rome Capital and in the Municipalities since 2008

Our goals

Taking care of your territory, physical and human, mainly in Municipality V of Rome Capital, where the Association is based.

Hold meetings with citizens to understand and monitor needs and opportunities:

- Searching for "solidarity" solutions to respond to the need and support of frail elderly people.
- Offering opportunities for members (volunteers) to organize and participate in solidarity initiatives, dedicating their time and skills for the common good.

Ongoing projects and activities

- «Climate Map - Interactive Map for Cross Country Inspiration for Climate Change Prevention» - Small-scale Erasmus+ project, funded by the German National Agency
- Agreement with the «DART Chiostro del BRAMANTE» museum to support the reception, access and use of the exhibitions
- The free listening desk is active at the headquarters, every Tuesday from 10:00 to 12:00
- Cineforum with debate to follow
- Artistic and creative craft workshop for all ages
- Computer and digital literacy courses for adults

The latest projects

Over time *Insieme per la Solidarietà* has carried out and continues to organise socio-cultural and tourist initiatives, opera and theater performances, guided tours of historic and medieval cities and villages for its members.

We won the tender of the Social Policies Department of Rome with the project «Grandparents 4.0, one foot in the past and eyes that look at the present» (2019)

With the project «Solidarity and Integration are social values» we won the tender of the Social Policies Department of Rome (2018)

With the project «I'll read the label to you» we helped people to understand what they were buying (2017)

Project «Ancient dishes to rediscover the economy... and beyond» (2017)

«Senior Guides» for informal learning in the elderly (Grundtvig project 2015-2016)

«With the elderly and beyond» project of the Municipality of Rome (2015)

Participation in the collection and distribution of food parcels of the «Food Bank of Rome» to help people in economic difficulty (2015)

Our motto

Regardless of any age, we are always actors and spectators of the world, but with a mission to accomplish.

We volunteers try to follow those paths that solidarity indicates to us.
